Brendan Pang brendanpang.us@gmail.com • (415) 990-7062 (mobile)

<b>Current Address</b> 864 N Lorri Way		<b>Permanent Address:</b> 1710 8 <sup>th</sup> Ave.
Walnut, CA, 91768	San Francisco, CA, 94122	
Objective	Secure an entry-level engineering position that will allow me to practice my engineering, leadership, and communication skills while helping the company grow.	
Education	California State Polytechnic University, Pomona Bachelor of Science in Civil Engineering Expected Graduation: Dec 2019	
	EIT Certification, State of California GPA: 3.11	
Relevant	GFA. 5.11	
Coursework	Civil Engineering CAD	Structural Analysis
	Highway Transportation	Waste Water Treatment
	Traffic Design	Applied Hydrology
Design Projects		
	station Conjer Draiget (in progress)	
•	rtation Senior Project (in progress)	
•	far, we have used various Caltrans manuals to	o create the erosion control, temporary
